

Quartet Capital Partners achieves a Defaqto 5 Star Rating

17th February 2015: Quartet Capital Partners (“Quartet”) is delighted to announce that its Bespoke Investment Management Service has received a Defaqto 5 Star Rating.

Colin McInnes, Managing Partner of Quartet said:

“We are delighted to be awarded the highest Defaqto Star Ratings for our Bespoke Investment management Service offering. The 5 Star Ratings rewards our efforts to ensure Quartet’s propositions meet the needs of our intermediary connections as well as our clients.”

Defaqto is an independent researcher of financial products, focused on providing intelligence to support better decision-making. Their DFM Star Ratings assess discretionary fund managers across a wide range of aspects to provide an independent verification of the quality of what each proposition offers. To achieve the highest level of rating providers need to demonstrate a track record in investment management and produce service terms with a strong degree of flexibility, transparency and a high level of personal and online service.
